September 8 - November 19, 2018

This advanced Sports Massage Internship Program consists of 11 weeks of hands-on massage in the athletic training room at the University of Central Florida. This is a unique learning experience as you will be working on real athletes with real conditions, so you can apply the knowledge you learn in the classroom. At all times you will be supervised by Michael McGillicuddy, who has been a Sports Massage Therapist for over 20 years.

In addition, you will spend 4 weekends at the Central Florida School of Massage Therapy learning the many aspects of sports massage. Throughout the internship, you will cover all areas of the body with specific assessment, treatment and prevention protocols. In addition to learning efficient injury treatment protocols, you will also become adept at administering maintenance massage to help enhance athletic performance and prevent injuries.

4 Weekend Workshops:

September	8- 9	Pre & Post Event
September	22-23	Injuries to Lower Extremities
October	6- 7	Injuries to Upper Extremities
October	20-21	Maintenance

PLUS, 11 Monday mornings working on athletes at UCF

Weekend Classes Only Option
